

# Material Safety Data Sheet

## Organic Seaweed Tablets

### 1. Chemical Products and Company Identification

Product Name: Whole seaweed, encapsulated in gelatin 00 gel containers (750mg ea)  
Chemical Formula: Mixture  
Other Designations: Dry tablets of 100% *Eucheuma denticulatum* (Previously *E spinosum*, common name spinosum)

Company: Marine Algae Products Inc.

Address: 370, Third Street Corner 5th, Phase 1 Ecoland Subdivision, Davao City, Davao Del Sur, 8000, Philippines.

<https://bioseahealth.com>

Emergency Phone: +63 082 327 3059

Date Issued: 1st September, 2019

### 2 Composition / Information on Ingredients

Hazardous Ingredients. None

Ingredients: >99% Seaweed. Gelatin capsule

### 3 . Hazards Identification

No known health hazards

Primary Entry Routes:

Eyes: May cause mechanical irritation of eyes

Skin: No known hazard

Inhalation: No known hazards

Ingestion: Ingestion of large amount may cause discomfort

Chronic Effects: No known hazards

Medical Conditions Aggravated by Exposure: None known

Target Organs: None

Carcinogenicity: None

HMIS: Health – 0, Flammability – 0, Reactivity – 0

### 4 First Aid Measures

Eyes: Flush with water for at least 15 minutes. Get medical attention if irritation persists. Skin: Wash with soap and water

### 5 Fire Fighting Measures

Flash Point: None

Auto ignition Temperature: Not Applicable

Explosive Limits:

LEL: Not Applicable

UEL: Not Applicable

Extinguishing Media: Use media suitable for surrounding fire

Unusual Fire or Explosive Hazards: Not Known

Fire Fighting Instructions: No special requirements

#### 6. Accidental Release Measures (Steps for Spills)

Methods for cleaning Up: Sweep or vacuum up and dispose of in compost or waste

#### 7. Storage and Handling

Store in original container in clean, cool (under 30° and dry place)

Handling Precautions: No special handling requirements. Follow normal hygienic and housekeeping standards.

#### 8. Exposure Control / Personal Protection

Ventilation: Special ventilation is not required

Protective Clothing / Equipment: No special requirement

Respirator: Not required

Contaminated Equipment: Clean with soap and water

Comments: Practice general personal hygiene. Wash hands with soap and water before eating, drinking or smoking.

#### 9. Physical and Chemical Properties

Physical State: Powder in gel capsules

Color: Ranges from green to brown.

Odor: Minor seaweed odor

Water Content: ~5%

% Volatile volume: Not determined

Specific Gravity: Not determined

pH : 6.5

Melting Point: Not Determined

Boiling Point: 100°C

Freezing Point: 0°C

#### 10 Stability and Reactivity

Stability: Stable if stored and used as directed

Conditions to avoid: Elevated temperature

Hazardous Polymerization: Will not occur

Chemical Incompatibilities: None

Hazardous products of decomposition: None

#### 11 Toxicological Information

Eye Effects / Eye Irritation: None

Acute Oral Effects: None

Acute Inhalation Effects: None

Acute Dermal Effects: None

#### 12. Ecological Information

The product contains non-pathogenic, non-hazardous and non-toxic, naturally occurring constituents and is biodegradable.

### 13 Disposal Considerations

Waste Disposal. Safe to put into compost or green waste. Dispose of according to local state or federal regulations.

### 14 Transport Information

This product is not regulated as a hazardous material for all modes of transportation  
Hazard Class: Not Applicable  
ID No: Not Applicable

### 15 Regulatory Information

This product is a dry food in capsule form. No applicable regulatory information.

### 16 Other Information

The information given in this safety data sheet is based on knowledge available at the time of compilation and is intended to describe the product only in terms of health and safety requirements. It does not signify any warranty with regard to specific properties or specifications.

The complete range of conditions or methods of use are beyond our control therefore we do not assume any responsibility and expressly disclaim any liability for any use of this product. Information contained herein is believed to be true and accurate however, all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state, and local laws and local regulations remains the responsibility of the user.

This safety sheet cannot cover all possible situations which the user may experience during processing. Each aspect of your operation should be examined to determine if, or where, additional precautions may be necessary. All health and safety information contained in this bulletin should be provided to your employees or customer
